"Today, nearly 30 years later, profound doubts persist about how President Kennedy was killed and why. The Warren Commission's conclusion that Lee Harvey Oswald acted alone is not believed by most people. The House Select Committee on Assoassinations (HSCA) concluded in 1979 that President Kennedy "probably was assassinated as a result of a conspiracy" and that "government agencies performed inadequately" in investigating the assassination. Our movie is a metaphor for all those doubts, suspicions, and unanswered questions."
